12. Mr. Firous Anaraki, Director of Network Operation.
The College of Internet Distance Education of Assumption University Offers the Followings:

- **Ph.D. in eLearning Methodology**, which is the first and the only such program in the world. If you search Google for “Ph.D. in eLearning Methodology” our entries are shown on the first page. There have been applicants from USA, Canada, UK, Australia, New Zealand, and several other countries. There is no coursework but the quality is guaranteed by requiring that you must publish in a refereed publication such as from the ACM and the IEEE. There will be the first graduate of Ph.D. in eLearning Methodology from CIDE by the end of the year 2008. You may be able to get your Ph.D. in 2.5 years. The cost for 48 credits at 7,000 baht per credit is 336,000 baht.

- **M.Sc. in Management** with five majors, namely, Small and Medium Enterprise Management, Human Resource Management, Technology Management, Strategic Marketing Management, and Business Management. You may be able to graduate in 16 months. The cost for 36 credits at 3,500 baht per credit is 126,000 baht.

- **M.Sc. in ICT** with four majors, namely, Information Technology, Computer Communication and Network, Computer Graphic and Animation, and Technology Management. You may be able to graduate in 16 months. The cost for 36 credits at 3,500 baht per credit is 126,000 baht.

- **M.Sc. in eLearning Methodology** which will be offered starting in January 2009. You may be able to graduate in 16 months. The cost for 36 credits at 3,500 baht per credit is 126,000 baht.

- **Certificate Program for SME** with 18 courses available for you to study free of charge at www.eLearning.au.edu. Those who pass the examinations will get a certificate for each of the courses. Hope to provide this service to nine million students.

- **Training on 3D Animation**, and on **3D Game Design**.

Study and Take Your Examinations Anywhere in the World.

- Those with no fixed working schedule, e.g. airhostesses, traveling sale persons, celebrities, and etc. can study and take their examinations at the airports or any locations of their convenience.

- Many students study together by using videoconferences. Each stays at his own place with a computer and a webcam.

- Every facilitating instructor is required to reply to each student’s eMail within 24 hours.

- Each student is required to eMail to instructors and classmates as well as using the chat room and forum at least once a week.

Apply to study for your accredited degree thru the Internet from anywhere and at anytime at your convenience.
